

Holidays AND HOPE

FOR MANY YEARS, CarePartners Foundation's memorial ornament program has offered an opportunity to honor and remember loved ones in a thoughtful and unique way.

As the foundation begins to strategically evaluate and define what the role of CarePartners Foundation will be within the new healthcare landscape of our region, we have decided not to offer a new ornament for the 2018 holiday season.

We are extremely grateful for the support you have shown our program and hope you will stay connected with CarePartners Foundation as we transition into our new role within the community. As a way for us to say thank you, we will be providing an opportunity to purchase retired ornaments at a discounted price at our Asheville Thrift Store beginning November 28. Please note that this year we will not be able to mail any of the ornaments as we have done in years past.
